February 1 - 2, 2017
Sacramento Convention Center
Room 202
Sacramento, California

February 2

While many current and past projects have focused on engineering topics, CEA's research department plans to include multi-disciplinary projects. Your suggestions for topics and themes for future research projects are vital to this effort. Please advise our registration staff if you plan to attend the Gap sessions. If you are unable to attend, your input is still valuable. Staff can provide you with a form to provide your suggestions.

- 7:30 a.m. **Registration and Continental Breakfast**
- 8:00 a.m. **Where Do We Go From Here - Identifying future research needs**
1. Gap Analysis #1: Attendees will join various disciplinary groups to identify potential research topics, and projects. (1 hr)
 2. Gap Analysis #2: Attendees will select multidisciplinary groups to identify potential research topics, and projects. (1 hr)
- 10:00 a.m. **Break**
- 10:15 a.m. **GAP Analysis Report Outs**
- 11:45 p.m. **Forum Wrap-Up**
- 12:00 p.m. **Conclusion**

Forum follow-up:

- Forum presentations are available on the CEA website <http://www.earthquakeauthority.com/whoweare/Pages/research.aspx>
- A summary of the forum, and a report of Day 2 discussion on GAP analyses will be available in a few weeks.
- Please complete the forum questionnaire and return it to staff at the check-in table. Your comments will help guide development of the 2018 Research Forum.

Thank you for your participation.
